ON A MOUNTAINSIDE

MIRACLES

After conquering a snow-covered mountainside, everyday challenges presented by profound injuries seem much more surmountable for these Veterans.

The National Disabled Veterans Winter Sports Clinic is a world leader in adaptive winter sports instruction for U.S. military Veterans and active-duty servicemen and women with disabilities. Every year, nearly 400 profoundly disabled Veterans with traumatic brain injuries, spinal cord injuries, visual impairments, amputations, certain neurological conditions and other severe disabilities are empowered to challenge perceived limitations through adaptive skiing, sled hockey, scuba diving, rock wall climbing and various other activities that improve their overall health and outlook.

Set in stunning Snowmass Village (near Aspen), Colorado, the clinic gives seriously wounded Veterans the opportunity to pack more miracles into the week-long, life-changing event than they ever dreamed possible. With world-class instructors from around the globe, the rehabilitative event helps Veterans achieve their maximum potential based on their unique capabilities. The clinic reminds them of the wonder and achievement life still has to offer, and has introduced dozens of Veterans to future glory as Paralympic athletes. The inner strength our Veterans find lasts them a lifetime and they use it to overcome life’s challenges when they return home.

SPONSORS SUPPORT A UNIQUE PROGRAM OF HOPE AND RENEWAL.

Since 1987, corporate, individual and organizational sponsors have helped make miracles possible for thousands of severely disabled Veterans who have experienced the clinic’s unique and holistic blend of rehabilitative activities. Sponsors interact with Veterans from throughout the nation at the clinic and share in the inspirational events from start to finish. You can help make miracles on a mountainside possible for the men and women who sacrificed for our freedoms.

As of 2018, sponsor package pricing has increased, as outlined below. We will allow legacy donors to keep giving at the previous pricing until such time as they move levels or skip a sponsorship year. Sponsors will not be able to credential more than the allotted number of representatives. Credentials are required for all volunteers.
